June 2007 - No. 10

Dear Neighbors:

For the past nine years, Neighbors 4 Neighbors has partnered with the [Kids 4 Kids Club](#) to collect and distribute new backpacks filled with school supplies to homeless, farm worker, and other needy children. Last year we delivered our 60,000th backpack! This year we have added [Neat Stuff](#) to the partnership and will be supplying new uniforms for children in foster care.

On June 30, 2007, The [Bonefish Grill](#) in Coral Gables will host a Back-to-School Fundraiser for our project and we'd love to have you join us. Go to our website [www.Neighbors4Neighbors.org](http://www.Neighbors4Neighbors.org) for event details. The fundraiser will include an Ocean-themed silent auction.

Alex's Lemonades Stand - Take A Stand Against Cancer

In 2000, a four-year-old cancer patient named Alexandra "Alex" Scott announced a simple idea -she was holding a lemonade stand to raise money to help "her doctors" find a cure for kids with cancer.

For the next four years, despite her deteriorating health, Alex held an annual lemonade stand to raise money for childhood cancer research. Following her inspirational example, thousands of lemonade stands and other fundraising events have been held across the country by children, schools, businesses, and organizations, all to benefit Alex's Lemonade Stand Foundation for childhood cancer. On August 1st, 2004, Alex died peacefully at the age of 8 -- she had raised over \$1 million for childhood cancer research in her short lifetime. The foundation encourages anyone and everyone, even your company, club, school, or family to hold a lemonade stand or other event anytime of year. Click [here](#) to see just how easy it is!

Make sure to watch, **A Stand For Hope: Alex Scott**, a half-hour documentary, on CBS4 Saturday, June 16th at 12 noon, produced by CBS3 (KYW-TV-Philadelphia).
